

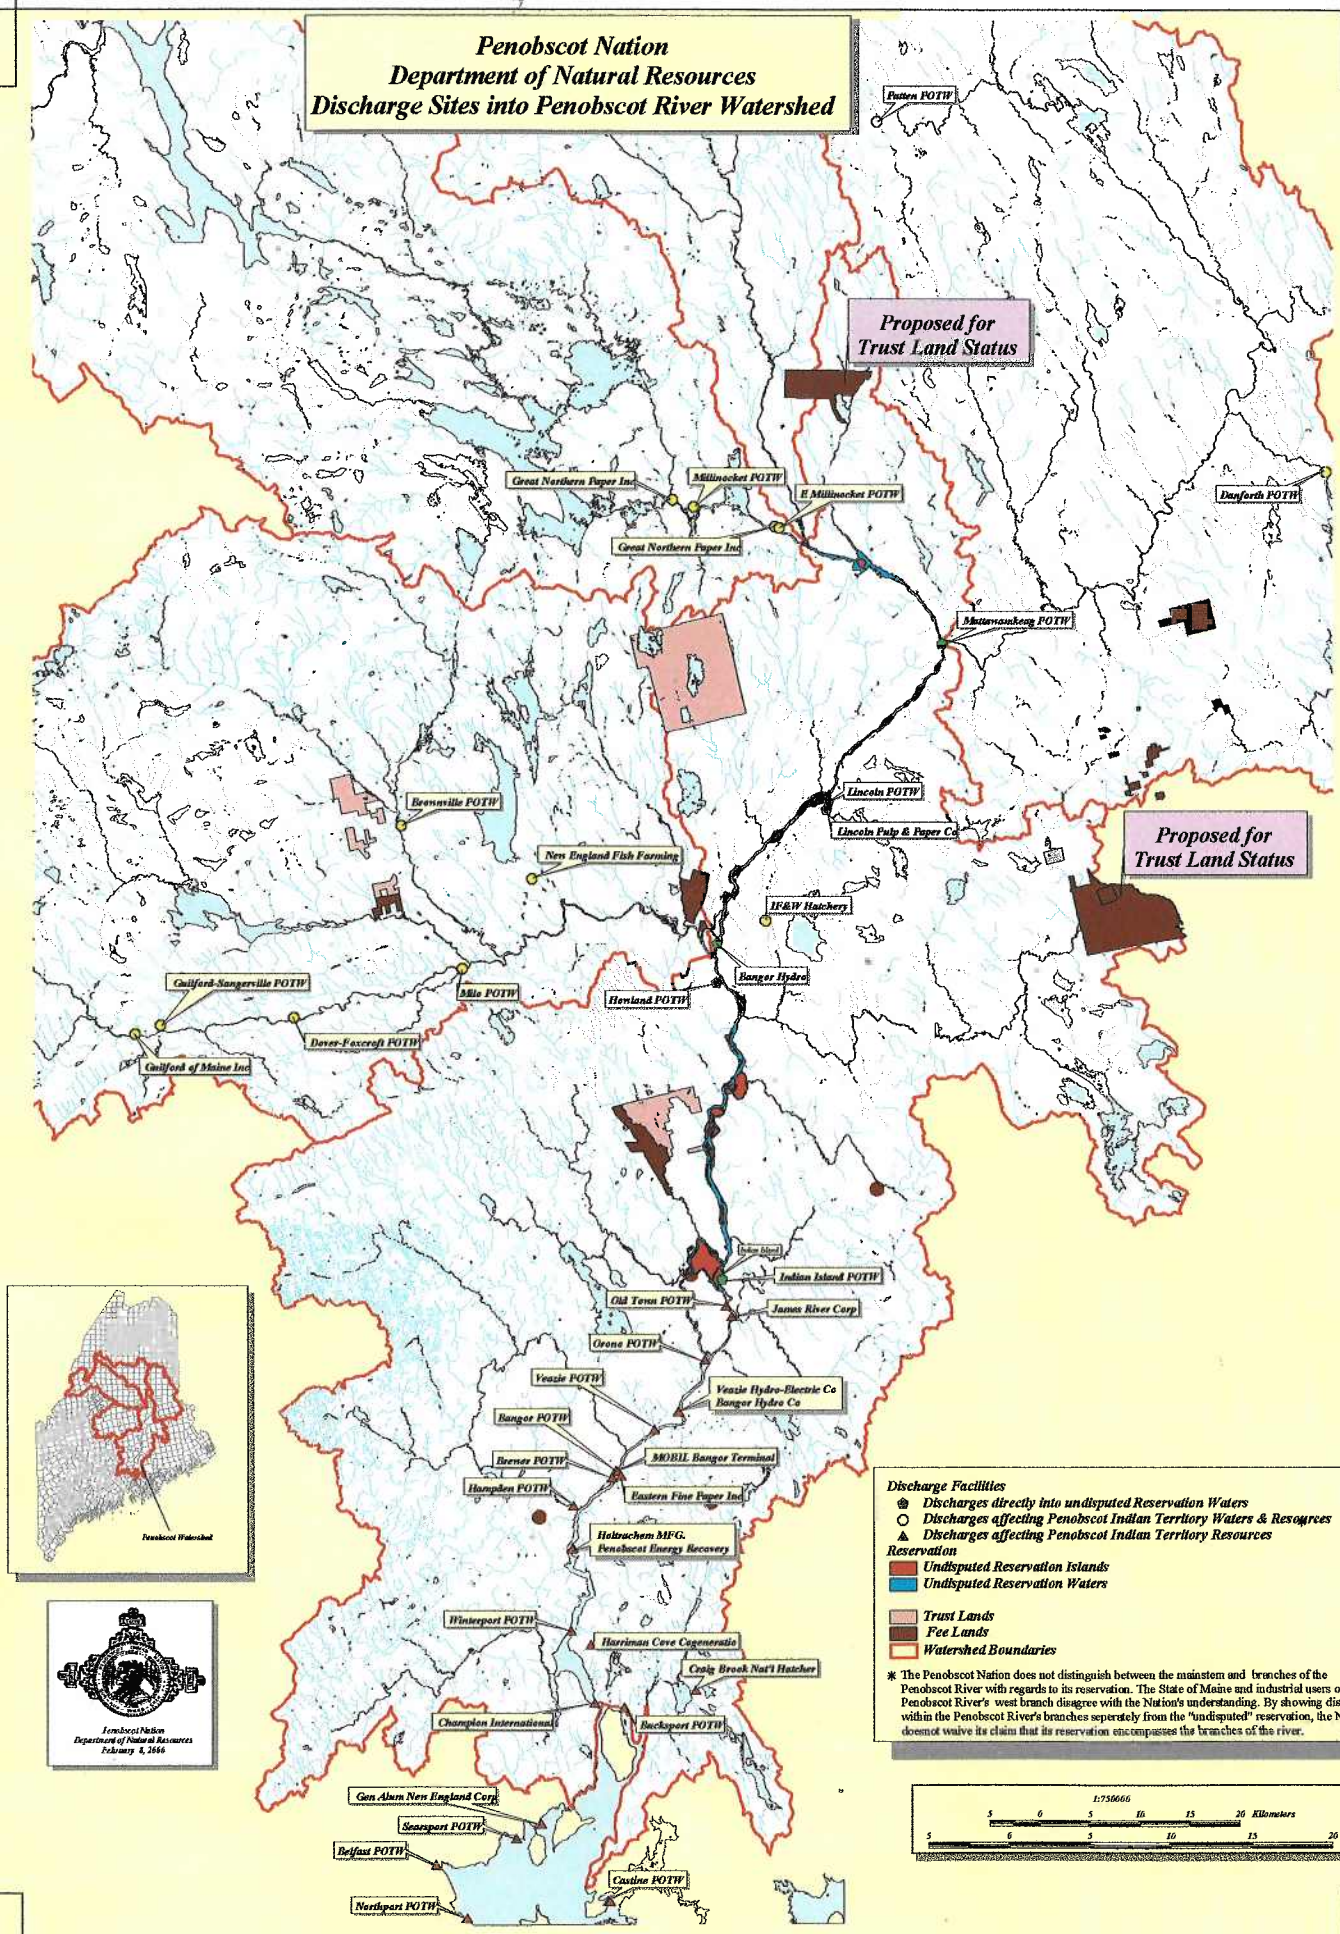

Exhibit 11

Exhibit 11: Exhibit A

Penobscot Nation
Department of Natural Resources
Discharge Sites into Penobscot River Watershed

- Discharge Facilities**
- Discharges directly into undisputed Reservation Waters
 - Discharges affecting Penobscot Indian Territory Waters & Resources
 - ▲ Discharges affecting Penobscot Indian Territory Resources

- Reservation**
- Undisputed Reservation Islands
 - Undisputed Reservation Waters
 - Trust Lands
 - Fee Lands
 - Watershed Boundaries

* The Penobscot Nation does not distinguish between the mainstem and branches of the Penobscot River with regards to its reservation. The State of Maine and industrial users of the Penobscot River's west branch disagree with the Nation's understanding. By showing discharges within the Penobscot River's branches separately from the "undisputed" reservation, the Nation does not waive its claim that its reservation encompasses the branches of the river.
